Dear Parent,

✓ **LeetCode:** Stress the importance of prioritizing LeetCode problem-solving to boost problem-solving abilities, crucial for success in interviews and future opportunities.

✓ **Develop Soft Skills:** Emphasize the importance of developing communication and teamwork skills through extracurricular activities or volunteering. These skills complement technical knowledge.

✓ **NPTEL:** Kindly ensure your ward completes the assignments for the selected NPTEL course to enhance their curriculum vitae. Encourage participation in the NPTEL course examination for added benefits.

✓ **Explore Internship Opportunities:** Encourage your ward to seek internships related to their field of study during semester breaks. Practical experience is highly valued by employers.

✓ **Network Building:** Suggest attending seminars, workshops, and industry events to expand professional networks. Networking can lead to valuable career opportunities and mentorship.

✓ **Prepare for Competitive Exams:** If applicable, guide them in preparing for exams like GRE, GMAT, or GATE, depending on their career aspirations and academic interests.

✓ **Build a Portfolio:** Suggest building a portfolio showcasing projects, research papers, and achievements. A well-curated portfolio can make a strong impression during job interviews.

✓ **IELTS:** Kindly ask you ward to prepare for the IELTS exam, which might be more helpful to get placed in foreign companies.

✓ Vinod's LeetCode rank was decreased than before. Please ask him to finish the daily challenge question. It'll help him to boost the rank further.

✓ He got a certificate from online course. Kindly motivate him to get more certificates like this.

✓ He was enrolled in NPTEL course. Kindly ask him to do the assignments in due time.
